OF EMERGENCY SERVICES

FOR OFFICIAL USE ONLY

Coronavirus Disease 2019 (COVID-19)
Situation Report
July 14, 2020 – 1700 hours
Report No. 139 (CHHS/Cal OES Joint Report)

Confidentiality Notice

This document is for the sole use of the intended recipient(s) and may contain confidential and privileged information, as well as material nonpublic information. Any unauthorized review, use, disclosure, or distribution is prohibited without the express written consent of the CDPH or Cal OES Executive Offices. The unauthorized disclosure or distribution of this information may result in civil or criminal liability for those disclosing, distributing, or receiving this information.

Situation Report – For Official Use Only

Coronavirus Disease 2019 (COVID-19)

Report Date:

7/14/2020

Report Time:

1700

Situation Overview

- **California State of Emergency Proclamation**

On March 4, 2020, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On March 19, 2020, the U.S. Department of State issued a Global Health Advisory at Level 4 (Do Not Travel) due to the global impact of COVID-19.

- **Executive Order N-33-20**

On March 19, 2020, the California State Public Health Officer and Director of the California Department of Public Health (CDPH) ordered all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain Continuity of Operations of the federal critical infrastructure sectors.

- **FEMA-4482-DR-CA**

On March 22, 2020, President Trump approved Major Declaration FEMA-4482-DR-CA (DR-4482) for the COVID-19 Pandemic.

Confirmed Global COVID-19 Cases - Per Worldometers COVID-19 Live Updates as of 1000 hours on July 14, 2020:

- 13,337,554 (+202,463) total confirmed cases in 213 countries.
- 577,886 (+4,582) total deaths.

Confirmed United States COVID-19 Cases - Per Centers for Disease Control and Prevention (CDC) as of 1100 hours on July 14, 2020:

- 3,355,457 (+58,858) total confirmed cases.
- 135,235 (+351) total deaths.

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center (MHCC) as of 1100 hours on July 14, 2020:

- 336,508 (+7,346) total confirmed cases.

County breakdown, case demographics and lab tests reported statewide can be found at:

Legislative and External Affairs

- Cal OES, in conjunction with CDPH, CHHS, and other state and federal agencies, held a coordination call for elected and non-elected officials and staff for Regions II, III, and IV (NorCal) at 1530 hours on July 14, 2020. There were a total of 185 participants on the call.

Office of Tribal Coordination

- Tribal Assistance Coordination Group call at 1100 hours on July 17, 2020.
- Governor's Tribal Advisor's Tribal Leadership call at 1700 hours at July 15, 2020.

Office of Access and Functional Needs (OAFN)

- Provided technical assistance to regional jurisdictions seeking to update their emergency operations plans in the wake of COVID-19. Specific guidance was provided to ensure efforts aligned with Assembly Bill (AB) 477 and AB 3211 to reference and incorporate access and functional needs-related considerations and stakeholder representatives.
- Partnered with the Colorado Division of Homeland Security and Emergency Management to provide them with assistance replicating California's innovative inclusive planning models with the California Foundation of Independent Living Centers.

Office of International Affairs

- Participated in San Diego Region Border Unified Command Conference call to discuss impacts along the California-Mexico border on July 14, 2020.

Cal OES Recovery

Guidance

- CDPH conducted a conference call for California healthcare facilities on July 14, 2020 at 0800 hours to provide updates.
- All Facilities Letter (AFL) 20-38.3, which supersedes AFL 20-38.2, notifies all facilities of updated visitor guidelines for pediatric patients; patients in labor and delivery; patients in neonatal intensive care unit; patients in pediatric intensive care unit; patients at end-of-life; patients with physical, intellectual, and/or developmental disabilities; and patients with cognitive impairments.
 - Health facilities may permit a support person to accompany a patient for whom has been determined to be essential to the care of the patient (medically necessary),

Report Date:

7/14/2020

Report Time:

1700

including patients with physical, intellectual, and/or developmental disabilities, and patients with cognitive impairments.

- AFL has been updated to clarify that long-term care facilities and hospitals may permit entrance to students obtaining their clinical experience as an approved nurse assistant, vocational nurse, or registered nurse training program, if they meet the CDC guidelines for healthcare workers.
- AFL 20-59 notifies health care facilities that California energy companies may proactively turn off electric power to any electric customer in California as a part of a Public Safety Power Shutoff (PSPS) event. Facilities should ensure their local energy company is provided with the most up-to-date contact information to receive outage alerts. PSPS events, when used, are regarded as an unusual occurrence. Facilities must report the unusual occurrence of a PSPS event to the CDPH, Licensing and Certification (L&C) Program. Facilities must report PSPS power outages, generator and fuel status, any impact to patients, and any resource needs to the local L&C district office (DO), local public health officer, and Medical Health Operational Area Coordinator (MHOAC).
- CDPH has published the following guidance:
 - Guidance on Closure of Sectors in Response to COVID-19.

Emergency Medical Services Authority (EMSA)

MHCC

- Received 50 new American Medical Response (AMR) members to support the current missions.
- Assisting San Quentin State Prison.
- Need for additional respiratory therapist staff onsite at Imperial Valley College in Imperial County.

EMSA

- Additional staff from AMR and federal partners will assist with increasing the patient capacity at the Fairview ACS.
- Working to increase the patient acuity level that can be treated at the Imperial ACS to assist with decompressing El Centro and Pioneers Hospitals.
- One (1) CAL-MAT SNF strike team is currently deployed in Butte County.
- Fifty (50) AMR personnel that arrived July 14, 2020, have been onboarded and are being deployed to assist at various sites.

County Reports

Imperial

- Mexicali Public Hospitals, as of July 13, 2020.
 - Available COVID-19 beds: 83.
 - Ventilators available: 42.
 - Auxiliary Unit beds: 37/50 available.
 - Overall bed occupancy:
 - Mexicali General Hospital: 82.8%.
 - IMSS Hospital 30: 81.9%.
 - Mexicali Regional Military Hospital: 69.6%.

Lake

- Public Health is actively performing contact tracing services.
- Local hospitals have a surge plan in place.
- There are ongoing discussions regarding the reopening of schools; if Lake County can maintain control over the next few weeks, schools will likely be able to open.
- Public Health is working on securing the services of an epidemiologist; services expected to be available within the next couple of weeks.

Los Angeles

- Completing allocation process for Remdesivir in collaboration with CDPH.
- Working with the State to deploy Department of Defense (DoD) Medical Teams to augment staff at designated facilities in the OA.
- Los Angeles Public Health amended the latest Health Officer Order to comply with the Governor's directives.

Situation Report – For Official Use Only

Coronavirus Disease 2019 (COVID-19)

Report Date:

7/14/2020

Report Time:

1700

- The Los Angeles County Health Officer Orders were updated last week to require private insurance companies to cover COVID-19 testing as part of the overall containment plan. This goes into effect July 31, 2020.

San Diego

- The criteria for being tested was limited today in order to maintain the availability of test kits for essential workers and the most vulnerable.
- The Medical Operations Center continues to focus on building capacity in supply stock for test kits and PPE, and staffing nurses for local medical centers and the County health system.
- San Diego Unified School District announced they will be starting school with online learning at least through the Fall.

San Francisco

- Health indicators demonstrate San Francisco is experiencing a major surge in new cases and hospitalizations. Current case counts are now at 7.5 new cases per 100,000 residents, which is approximately three-times higher than case counts three weeks ago.
- The weekly rate of hospitalization increase has risen to 29.6%. Predictive modeling estimates the healthcare system could run out of current intensive care unit bed capacity and need to use surge beds as early as mid-August if we continue on the current trajectory.
- Aggressively increasing the dissemination of information, contact, and outreach in the community to help flatten the curve and prevent further growth in the COVID-19 infection rate.
- Urgent priorities are activating testing sites where need is greatest and reducing the turn-around time to notify patients of their test results. A significant obstacle remains the lack of staffing to support these sites and investigate those contacts who test positive for the coronavirus.
- Updated Public Health Order guidance to allow for the re-opening of the San Francisco Zoo, as an outdoor museum, and to permit the re-use of bags at grocery stores.
- Defined timeline with community-based organizations to assume full management responsibilities of Alternate Housing Sites. Sites will be fully run and managed by mid-August.

Shasta

- High census in ICU and Telemetry.
- Working with businesses affected by the Governor's statewide closures of some indoor industries on July 13, 2020.

State Agencies/Departments
